

Jet Parts Engineering Receives Delta Airlines Supplier of the Year Award

Atlanta, GA– March 31, 2009

Jet Parts Engineering, Inc. has been awarded the prestigious Diversity Supplier of the Year award by Delta Airlines. This marks the third year the Seattle based company has been recognized by Delta for its dedication to providing the highest quality products and services, for its consistent track record in providing on-time deliveries, and for helping Delta towards their cost reduction goals. Jet Parts Engineering, Inc. received the diversity supplier of the year award in 2003, 2005, and now in 2008.

Jet Parts Engineering, Inc. received the award during a ceremony at Delta's corporate headquarters. Delta's Supplier Diversity Star Awards are presented annually to recognize outstanding partner suppliers in the categories of small business, minority-owned business, and women-owned business.

Jet Parts Engineering, Inc. develops and distributes FAA-PMA parts as a low cost alternative to OEM parts. In business since 1994, Jet Parts Engineering, Inc. has established a reputation for supplying high quality parts and providing exceptional service to its customers.
